

Spray - a - thon

Show Solidarity with Cancer Survivors

Dear AISJ Community,

We are writing to ask for your support for the ES Student Council and 5th Grade and their quest to raise funds for CANSA by hair-spraying on **MARCH 15**. We will be showing our support to all of those who have been affected by cancer. Spray-a-thon is designed to raise awareness about cancer. All proceeds from this event go towards the CANSA organisation to support the fight against cancer through prevention programmes, and patient care services. For more information, visit the CANSA website www.cansa.org.za *"CANSA Spray-a-thon is one of South Africa's best-loved events in support of a worthy cause. People spray their hair to show solidarity with cancer survivors or to remember loved ones lost to the disease."*

This is a school wide fundraising event, so please come and support this worthy cause. The ES, MS and HS students will get their hair sprayed under the gazebos on the field before the Festival of Running. The hair spray is not permanent, one wash and it's out, and it's made of vegetable oil. The cost of this is **R25 per Elementary student** and **R50 per Middle School and High School Student**, and **R50 for adults**. Parents please feel free to allow our sprayers to spray your hair as well.

Please give your permission on PowerSchool by Monday, March 11th. Payment of R25 should be made to your homeroom teacher by Thursday 14th March. We will only be permitted to spray elementary students who have been given permission on PowerSchool and paid the money to the homeroom teacher.

Thank you for your support,
Student Council and Grade 5 Students
